

CERTIFICATE

Green Offices

Is Awarded to

SEA CHEFS CRUISES LTD

Green Offices is a **certificate** for buildings and offices and is awarded to establishments that fulfil a list of sustainability requirements that include energy and water consumption, materials (waste) management, the use of environmentally friendly cleaning products, the quality of food and beverage, turning open areas into green spaces and education for sustainable development. Obtaining a Green Offices Certificate demonstrates the establishments' efforts to develop an environmentally friendly, sustainable and responsible business.
